

## **English**

At Moorfield Primary School, we believe that a high-quality English curriculum should develop, promote, and sustain a life-long love of reading, writing and discussing. It is an integral part of our everyday practise and is fundamental in giving children the tools they need to succeed in later life.

Through a high standard of teaching, quality texts and a strong, conducive reading culture, children are taught to read accurately and fluently. From Reception to Year 6, our aim is to harness a love of reading where children read widely, regularly and can confidently discuss a variety of texts.

Communication - both written and oral - is fostered and advanced through thoughtful stimuli, high expectations and careful planning that builds on previous learning. Writing is given a purpose and, wherever possible, lessons have valuable cross curricular links that allow children to adapt their writing for different purposes and audiences.
